Our

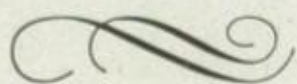

World

Foreword

IN our world today the school has become not only a place of gaining intellectual and physical development but also an opportunity for obtaining a social training. These features of our academic world have joined as one. We find we cannot separate them. There are many parts or groups which must be considered in order to have a complete picture of our world in which we live. This is, we feel, as it should be. Instead of waiting until we have graduated to live, we are living now, learning to meet and work with others in class room and in social groups. For the past four years the classes of January and June of 1947 have been a part of such an interwoven program, and we hope we have contributed as much as we have gained from it.

The job of making a permanent record has been intrusted to us and we have done what we could. But in the hands of the reader lies the task of judgment. We invite you to browse through our work and weigh it with sympathetic consideration.

In Dedication

MISS FERN NAOMI SWIGART

Miss Swigart, head of the Home Economics department of Cuyahoga Falls High School, graduated from Wittenberg College in June, 1924 and began teaching at our school in 1928. She was a member of many teacher's organizations, and took an active part in her church work. At school, she taught Home Economics and English, and sponsored the National Honor Society. Her passing is a great loss, both to the students and faculty, who miss her quiet friendliness, and guidance. The staff of The Cuyahogan feels that the least it can do is dedicate this book to our beloved friend and teacher, Miss Fern Swigart.

In Memoriam

GEORGE ROBERT PINKERTON

All of Cuyahoga Falls High School was shocked by the sudden death of this well known and well liked January graduate. "Pinky", as he was known to all his friends, had just achieved a thing he had wanted a long time, his appointment to West Point, when he was called to a better world. He had studied many summers in Braden, Cornwall-on-the-Hudson, in his preparation for this appointment and had given up many summer enjoyments. As treasurer of his class he performed his duties well. To his classmates he will always be remembered as he was, a happy, laughing, likeable fellow.

A Door To Open

As small children we never thought to look to the future. All that mattered to us was what was going on right at that particular moment. We lived from hour to hour.

When we started in grade school, we thought about what was going to happen when we got home in the afternoon, or what we were going to do in school the next day. We lived from day to day.

When we got along further in grade school, in the seventh and eighth grade, we began thinking farther ahead. We cared about what was going to happen in the next week or so. We began thinking of other people besides ourselves. We were then living from week to week.

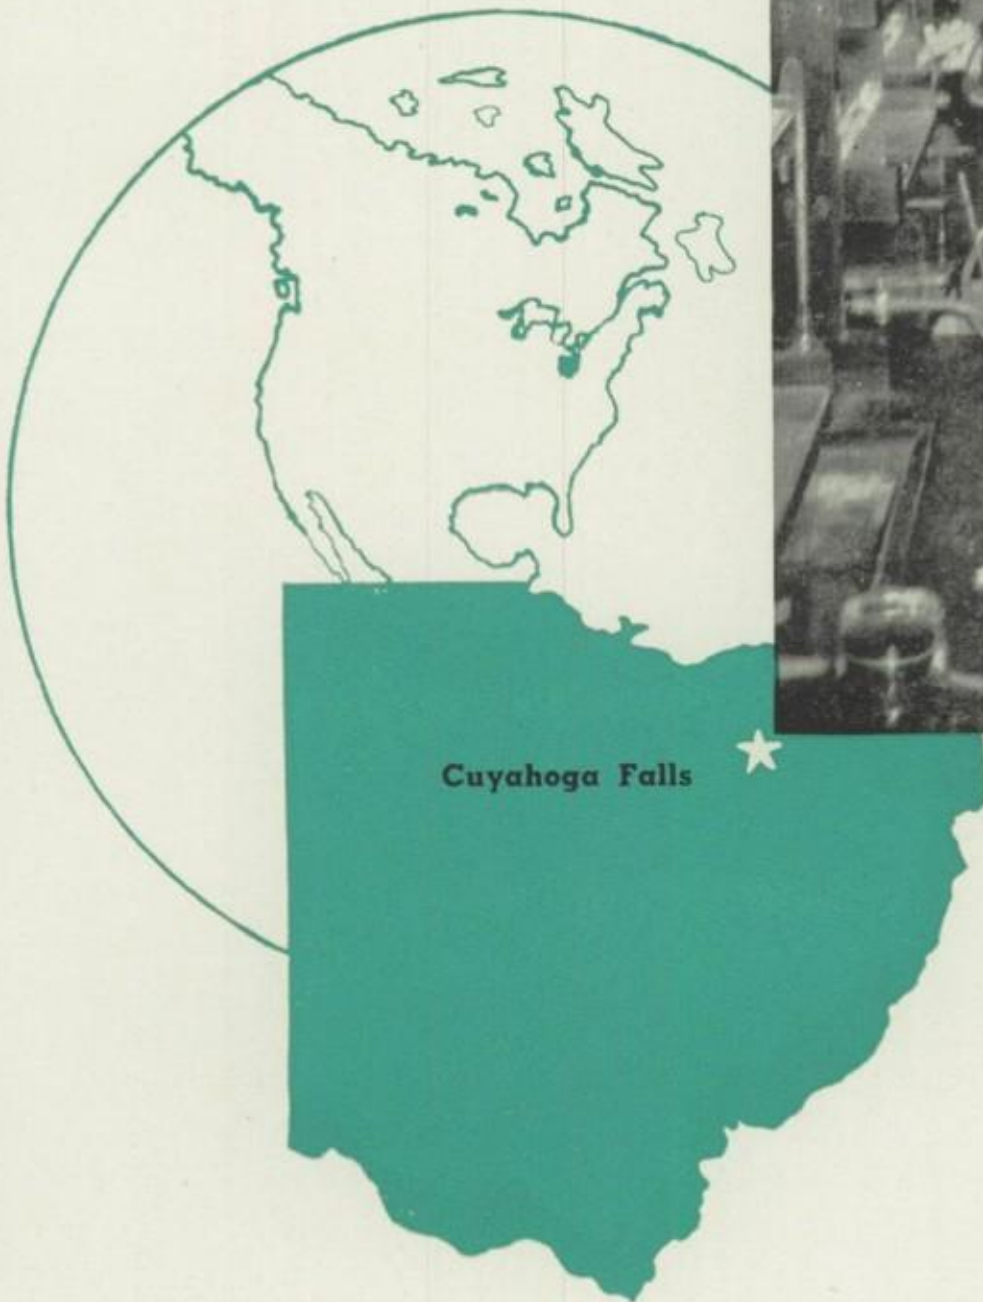

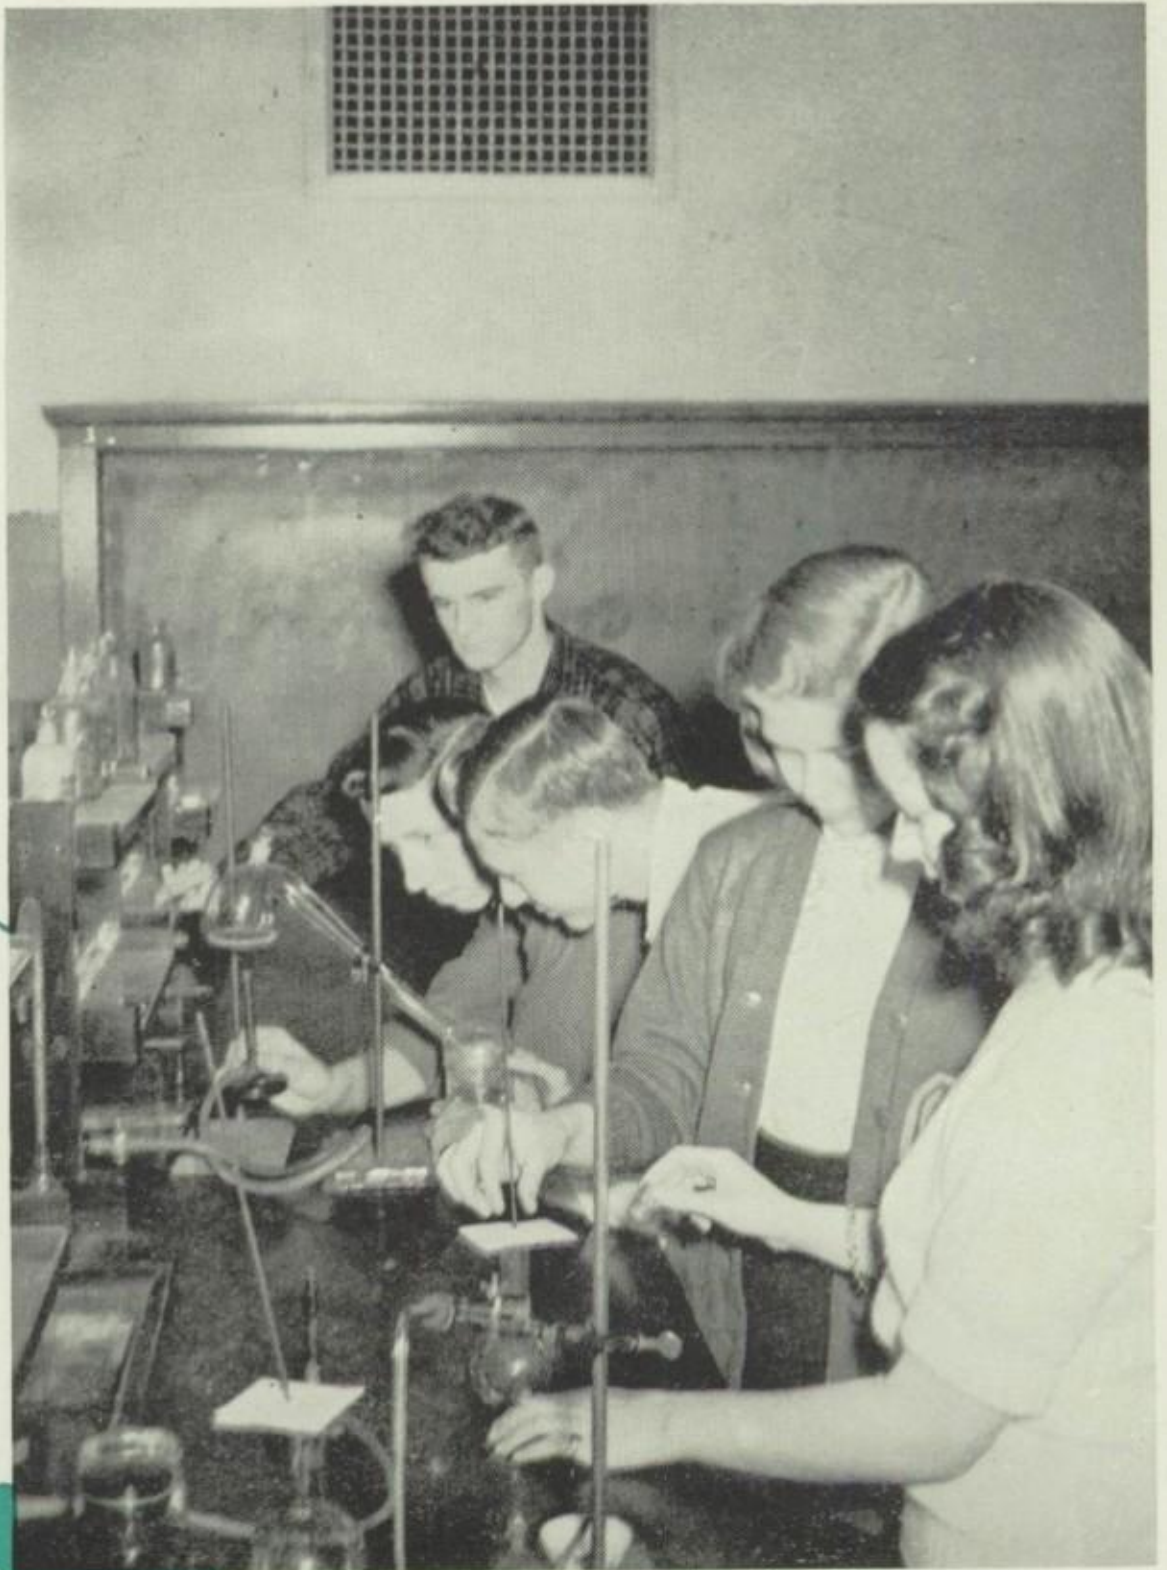

When we entered high school we were all in high spirits. "Here" we said, "are boys (or girls) to date, to talk to, to talk with." We began to look ahead, seeing the possibilities of molding our personality so that other people will "sit up and take notice". In our Freshman and Sophomore years we lived for pleasure, dates, and fun. We lived from month to month.

Then, all of a sudden, we were upperclassmen. That meant a new responsibility, a new dignity to uphold. We began thinking less about our present and more about our future, to plan it, to prepare for it, to make it something which we would be proud of.

By the time we got through thinking about all this, we were seniors. Can you imagine? It sort of crept up on us. It hit us between the eyes: "This is my last year at high school". Then came pictures, name cards, announcements, and behind all this confusion were our friends with their colleges all picked out, their rooms reserved, their courses chosen. So we immediately set out to choose our "Institution of Higher Learning". Then we knew what we had been doing all our lives. We had been walking toward a door, a door about which we had never thought; what it had to do with our future, or what lay beyond that door.

But now we are at that door. We reach out to it, and it will open. Our key is our high school diploma. And there are many roads beyond. Which will we take? The easy road to success? There is no easy road. We have to work for what we want. Those who are continuing their education can be thankful that they have the opportunity to do so. Make the best of it. Those who are not going on to college remember that we get out of life only what we put into it. But to all of you I say: "Tread the road ahead carefully, for there are many pitfalls on the road to success".

Our chapter of the National Honor Society of Secondary Schools was granted in 1937. It has functioned smoothly ever since under the administrative guidance of Miss Fern Swigart and Mrs. Doris Sidnell. The illness and death of Miss Swigart came during the Fall term. Her understanding cooperation has been greatly missed. Mrs. Sidnell took her place and very capably finished the year with us.

It is a distinctive honor to be asked to join the society. The requirements of entrance include qualities of leadership, scholarship, service and a scholastic rating of at least 90.

SPORTS

FOOT-BALL

This year saw the Tigers in another up and down season as far as scores show. The Tigers weren't lacking in talent, yet they were the victims of momentary mental lapses and bad luck. The capacity crowds which filled our stadium every Friday night were never disappointed in their hopes for a spirited fight. With a show of spirit, good sportsmanship, and good football, the Tigers again gave us a successful season.

The schedule and results of the season were:

		CFHS	OPP

SWIMMING TEAM

One of our more recent additions to the growing Sports Department of Cuyahoga Falls High School is the swimming team. Although this team is only two years old, it has already proven itself as a fast working team.

The meremen, coached by Robert Cameron and led by Captain Bill Roush, have come from behind to take second honors in the Greater Scholastic Swimming League of Akron, with first place going to Buchtel.

GOLF TEAM

Under the able direction of Frank Anderson, Cuyahoga Falls had a golf team in 1946 that brought back the Western Reserve Championship. The team which consisted of Al Mathews, Bill Musyt, Charles Cooley, and Jack Lange, went undefeated. Our golf team was the only school team that brought a championship to Falls High in 1946.

TENNIS TEAM

In 1946 Cuyahoga Falls High School joined the Greater Akron Tennis League and brought tennis back after a long absence. Under the direction of Coach Watson, the Tennis team made its hopeful debut.

BASE-BALL

First Row: (left to right) Thomas Wood, Don Smith.

Fourth Row: Clinton Emmerick, (coach), Rodney Powell, Robert Harrison, Gene Landrum, Frank James.

Although the season was not impressive according to the won-and-lost column, the Tigers did provide many thrills and a lot of good baseball for the fans. The Tiger nine won six, lost ten, and tied one.

Pitching was the Tiger's strongest suite. The local nine's losing margin was never greater than four runs. Anemic hitting and periods of mental lapses accounted for most of the defeats. Although the Tigers started the season with three decisive victories, scoring 30 runs to their opponents 1, their hitting power slumped decidedly thereafter.

VARSIITY

Second Row: Coach Watson, Robert Proctor, Allen Mathews, Robert Harrison, Carl Fuerst, Duane Scott, Kenneth Rankin, Gerald Hart.

Coach Watson's 1946-47 Basket Ball team ended the regular season with a record of eight victories and eight defeats.

The leading scorer of the season was Al Matthews with 124 points. He was followed by Carl Fuerst, Bob Harrison and Russ Hilbish with 91, 86, and 84 points respectively thus enabling the Tigers to end the season with a 41-31 per-game average.

For the first time in the history of the school the Falls Cagers appeared in the regional tournaments. Here the Tiger Cagers bested Canton Lincoln 48-29 before bowing to Ashtabula in the final game of the tournaments 32-27.

The fine showing the team made in the tournaments was due to the excellent rebuild- of the squad after losing half of their members. This along with the fact that the team would not accept defeat no matter what the odds enable the Tigers to outplay four highly favored tournament teams before bowing to the Ashtabula five.

Jerry Wolfe, Jack Cartwright, George Loop, Dan Brady, Don Rexroad, Bob Martin, Jim Huston, Bob Stopher (Manager), Percy Grenfell, Roger Owen, Bub Ruskin, Bob Moore, Chuck Cooley, Joe Denning, Dick Oberdorfer, Coach Ripley.

Freshman

First Row: (left to right) J. Griffith, D. Stoddard, J. Taylor, J. Orth, R. Thomas, J. Scarfidi, J. Pettibone, R. Martine, B. Botzum.
Second Row: Coach Juillerat, T. McCauslin, J. Johnson, F. Berdyck, J. Powell, B. Leas, R. Andrews, D. Goulding, J. Schumacher.

Both Reserves and Freshman Basketball teams have shown outstanding ability this season. The Reserve team won the Western Reserve League Championship. This favored team finished the season with 12 wins and 3 losses. Such players as Don Rexroad, Jack Cartwright, George Walton and several others will be counted on heavily to replace graduating members of Varsity team next season.

INTRA - MURAL

INTRAMURAL FOOTBALL

First Row: (left to right) George Bartel, Dave Mittelstaedt, Russell McKitrick, William Borgan, Dale Tener, James Malorni.

Second Row: Richard Oberdorfer, Joe Ware, Arthur Andrews, Jr.

Absent: Dean Haney and Earl Holcomb.

Intramural was started in 1945 under the direction of Physical instructors Bill Watson and Clarence Hinkle. Activities and competitions include Football, Baseball and May Day exhibitions.

Intramural teams are Gym class teams competing against each other. Each class has four teams who compete among themselves. Near the end of the season the winner from one class plays the winner of another class, thus by the process of elimination there are only two opposing teams left. The winner this year of the Interamural football teams was the "Cadets", led by Dick Oberdofer.

Much is gained by these inter class teams because it gives every student a chance to prove his ability in playing on a team. Team work, high spirit and good sportsmanship are among the first essentials of the organizations.

“Our World” and Athletics

More than ever before, athletics have permeated all our lives. The recent bloody conflict in which we were engaged showed amply the partial reward of athletics, teamwork and coordination. What other two assets contributed more towards the winning of the war?

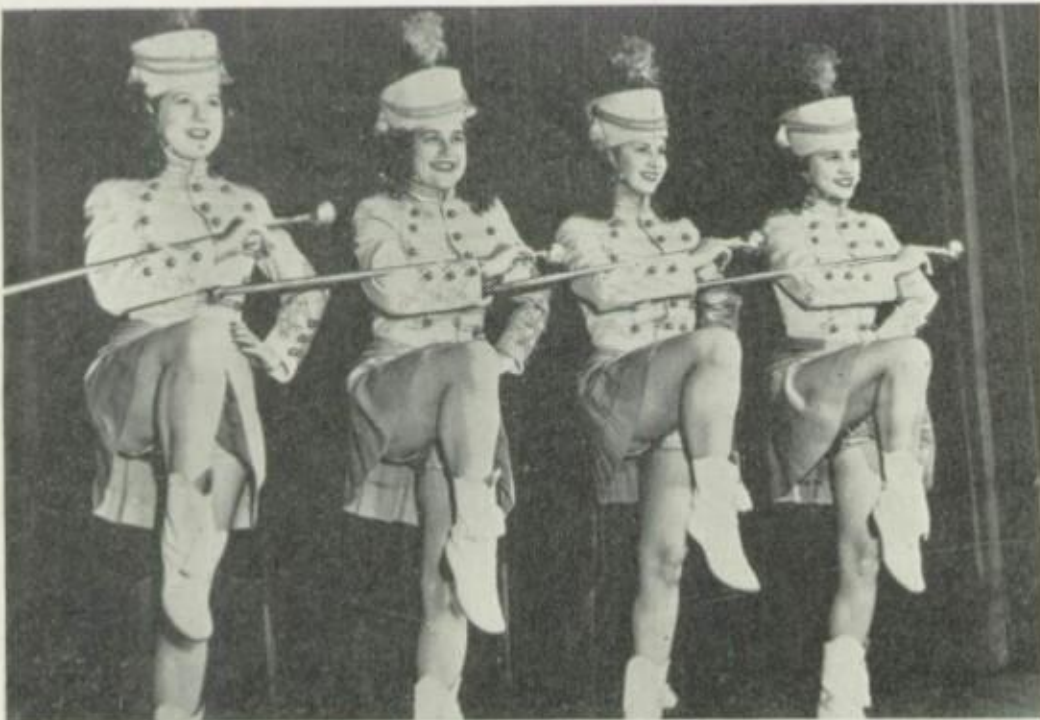

Just as the reward of sports is so necessary in times of danger, so it is even more necessary for the establishment of a workable peace. Everyone is hoping and striving for world peace. It is the one driving force of this decade and of decades to come.

Universal peace concerns everyone of us, and everyone should be concerned with it.

The search for a lasting peace is only a kind of game; but a game we dare not lose.

Athletics gives us all three simple fundamental principles of peace; (1) teamwork, (2) coordination, and (3) sportsmanship. If the nations of the world would set aside their own petty grievances and selfish desires, and if they would adopt these honest principles, we would soon reach the time when men regardless of racial distinctions can say, “This is Our World.”

TIGER BAND

Our Majorettes together with James Taylor, bugler, and Robert Lutz, drum major, had very important parts in the program.

MAJORETTES: Anna Klippel, Lucile Peters, Lola Weaver, Janet Page.

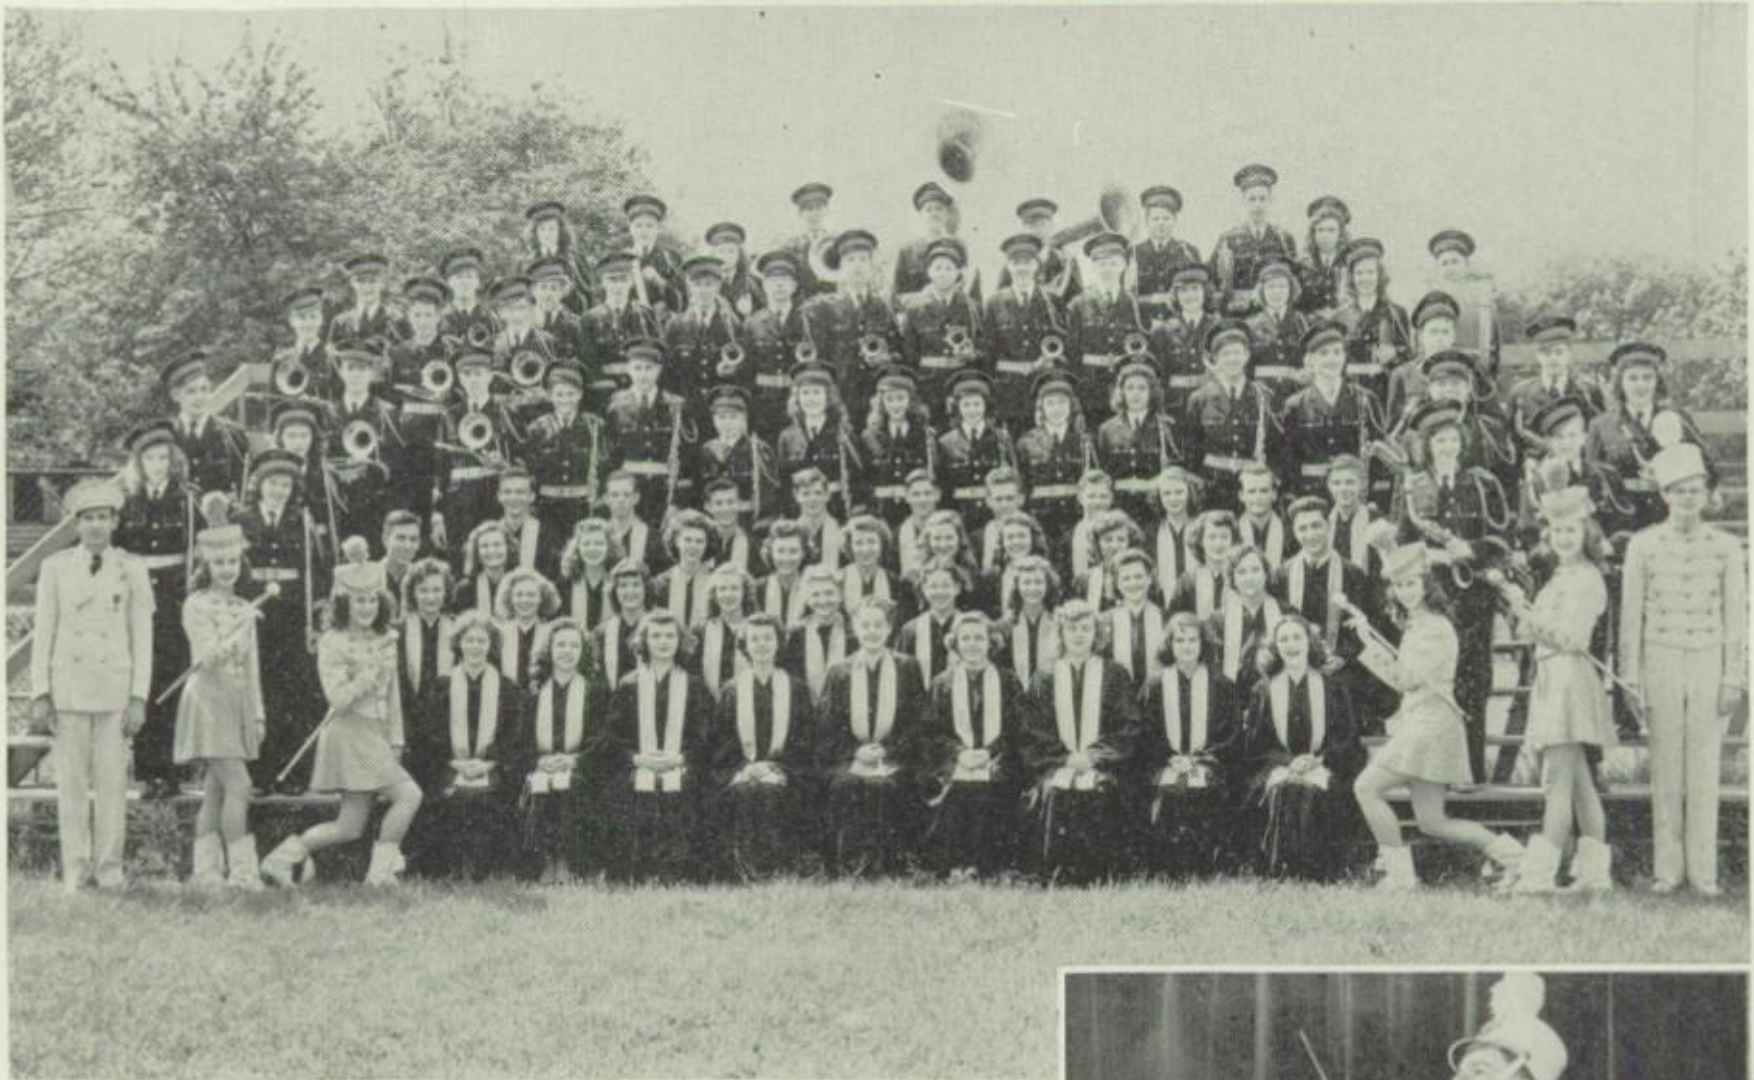

For the past two years the Falls Booster Club has sponsored each Spring a Tiger Band Review. Last Spring the Band under the direction of Mr. Reynolds and the A Capella Choir under Miss Long entertained large audiences for two evenings with a program of music and novelty numbers. Clifford Stadium was the setting for this performance. There a large stage, featuring appropriate scenery and equipped with elaborate lighting served as the background for chorus and novelty numbers.

BUGLER: James Taylor

REVUE

The heads of the vocal and instrumental music departments together with the president of the Booster Club and program director worked hard to make the review a success.

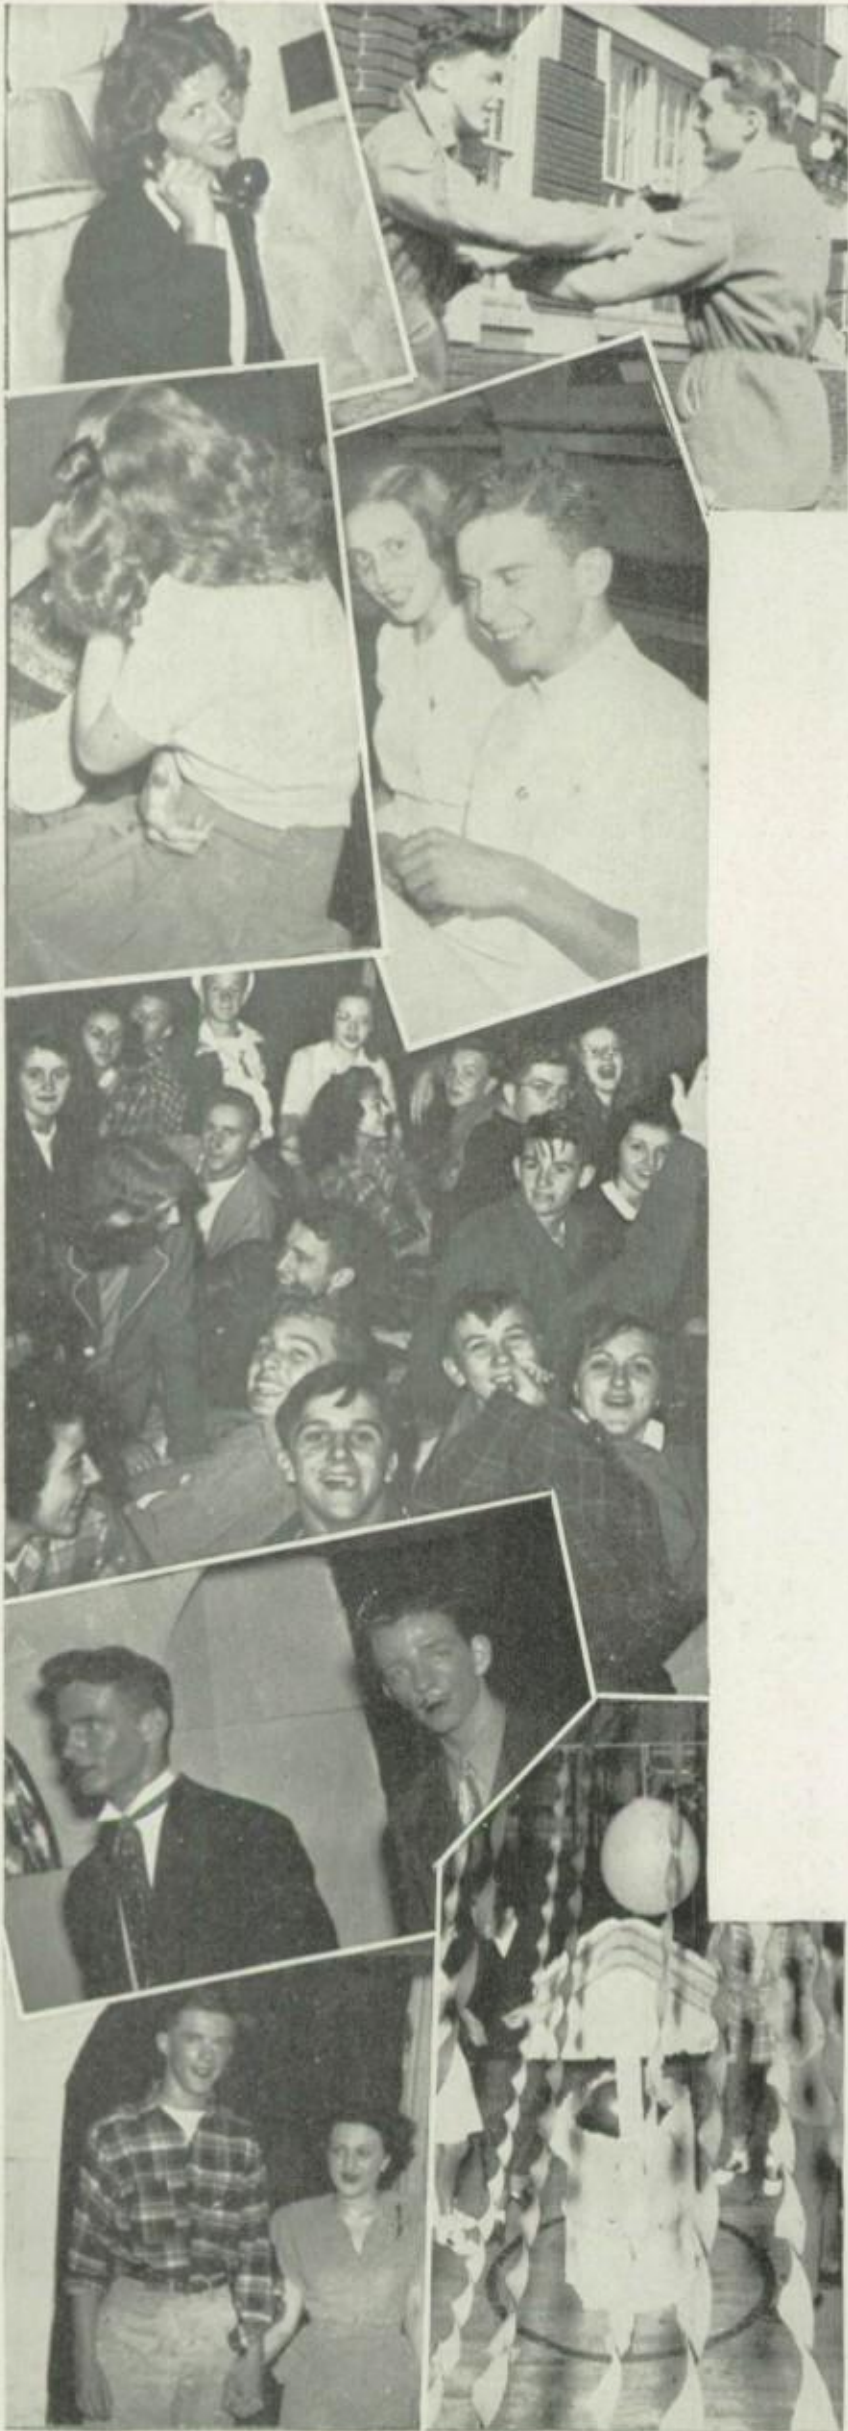

Mr. Reynolds, Mr. Wills, Miss Long, Mr. Price.

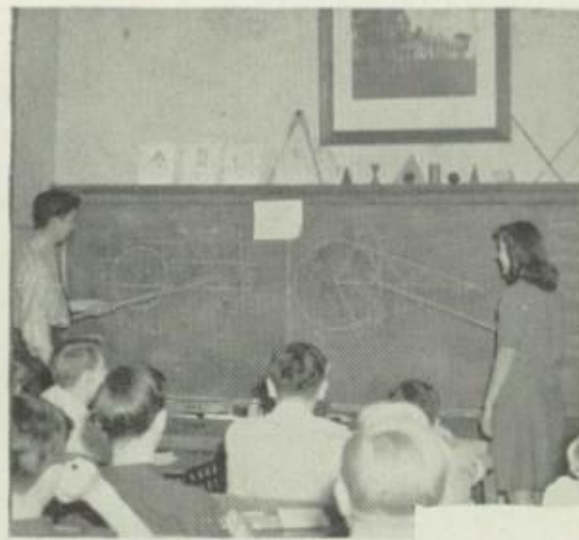

Members of the Booster Club gave liberally of their time to make the festival a striking success. The effort was inspired by the desire to give the community entertainment and to recognize the Music Department of the school. The whole program was an excellent example of the whole hearted cooperation given by all those having any part, even to the weather man. The proceeds from the two evening performances were contributed to the Band Uniform fund.

DRUM MAJOR: Robert Lutz

Many events of great interest to those in Cuyahoga Falls were scheduled for the days following our date of going to press.

In the Music Department the Band Concert, under the direction of Mr. Reynolds, was on the evening of March 11. Later in the spring on May 6 and 7 Miss Long directed the vocal department in the annual Music Festival.

Because of the large amount of talent discovered, Mrs. Wyre presented the Speech Department in a series of one-act plays on the evenings of April 24 and 25. They are as follows: "A Cup of Sugar", "The Birthday of the Infanta", "The Necklace Is Mine", "The Valiant", "The Strangest Feeling", "So Wonderful In White", and "High Window".

The Annual was purposely held up in hopes that our basketball team might win the District Championship or even win the State Class A Basketball Championship. In any event, a Recognition Assembly for the basketball team was held at the Falls Theatre on the afternoon of April 2.

In our world of sports there was a rumor that there might be a baseball team in the Spring.

On April 18 and 19, with the aid of the Student Council, there was presented a High School Sportsman Show in which several contests were held, such as a casting and wood chopping contest. Their plan was aided by the Ohio Conservation Corp.

Social life was not forgotten. The Seniors held a Box Social, March 28, at which everyone had a grand time due largely to the fact that Mr. Hendricks was there to get the ball rolling. Interest ran high in the selection of queens and kings to reign over the various social events. There was the Booster dance honoring the Basketball team, April 26. The Y-Teen Mardi-Gras on April 11 was an event of sparkling entertainment. The Senior Prom in the Ballroom of the Portage Hotel was an event of May 17. The Juniors followed with their prom on May 23. Late in the spring, on May 29, the Seniors held their banquet. Some groups and organizations enjoyed outing.

Then came Baccalaureate, June 8, followed by Class Day, June 9, and Commencement on June 10. School closed officially June 11.

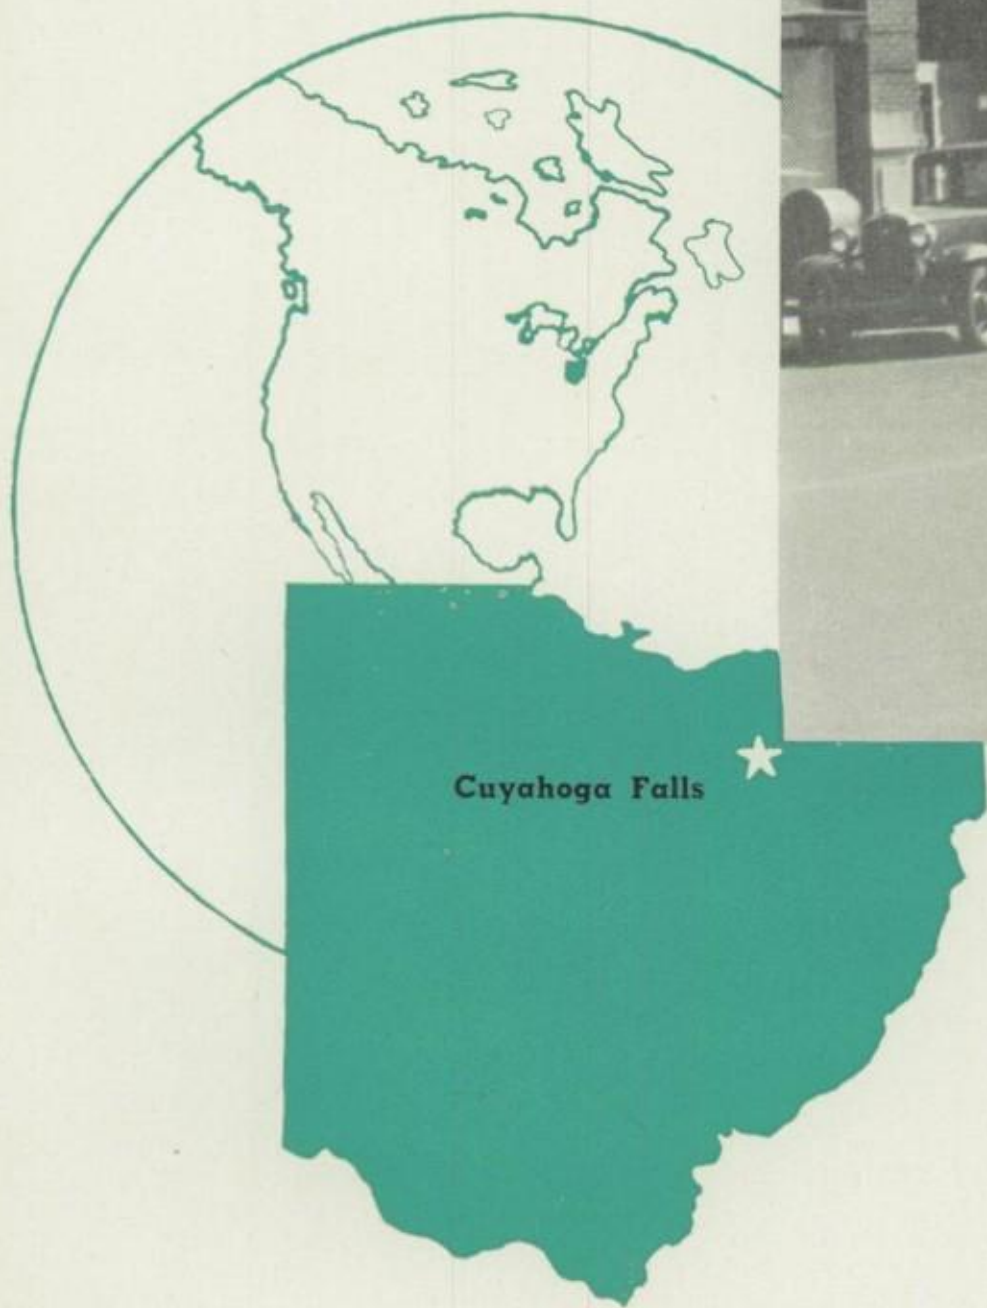

Our Appreciation

We, the advisers and yearbook staff, would like to express our deepest appreciation to all those people and organizations that have helped us make the 1947 Cuyahogan what it is. For photography we would like to thank especially the M. O'Neil Company of Akron, C. A. Capron, Jr., Roland Gamble, and Bob Andreas for all the time they have given us. To Mr. DeWitt for his assistance and cooperation in the many things we have asked of him, to the merchants and professional men of the community for their generous financial assistance, also to the teachers and advisers of clubs for their speedy and helpful assistance, and last, but not least, we extend our appreciation to students who have helped make the work much easier by their cooperation and their backing the 1947 Cuyahogan to the utmost.

ADVERTISERS

The School Jeweler

Next to the Falls Theatre

YOUTH is not a time of life - it is a state of mind. It is a temper of the will, a quality of the imagination, a vigor of the emotions. It is a freshness of the deep springs of life.

YOUTH means a predominance of courage over timidity, of the appetite of adventure over love of ease . . . this often exists in a man of 50 more than in a boy of 20.

NOBODY grows old by merely living a number of years. People grow old by deserting their ideals. You are as young as your faith, as old as your doubt; as young as your self confidence, as old as your fear; as young as your hope, as old as your despair.

IN the central place of your heart there is a wireless station. So long as it receives messages of beauty hope, cheer, grandeur, courage and power from the infinite, *so long are you young.*

The Falls Booster Club congratulates every member of the 1947 graduating classes. May you retain your interest in the high school and its activities . . . may you broaden your scope of civic activities . . . *may you stay young forever*
